Massages

Jungle Bay Massage ~ Our signature massage created especially for you. This massage uses a unique combination of Coconut oil, Castor oil and Bay essential oil to rid the body of muscular aches and pains. This formula of local organic oils from our forefathers is applied to the body using circular strokes which effectively aids the body in healing. *1 hour / 30 minutes*

Tres Forte Massage ~ This is our deep tissue massage with locally made coconut oil. Pressure is applied at a deeper level using special techniques to work out knots resulting in improved circulation and movement. *1 hour / 30 minutes*

Couples Massage ~ Couples enjoy the luxury of receiving a therapeutic massage together in our couples massage suite. Our aromatherapy "Peace & Love" blend is used to enhance the romance. The couples massage is also available to good friends, moms and daughters etc. *1 hour / 30 min.*

Aromatherapy Massage ~ Aromatic essential oils from plants are blended into the massage oil to create a unique mix. Try our "Relaxing" blend or our "Sore Muscle" blend which is perfect after long hikes. *1 hour / 30 min.*

Swedish Massage ~ This massage utilizes long gliding strokes and kneading to relax muscles, improve circulation and relieve tension. *1 hour / 30 min.*

Pregnancy Massage ~ Specifically designed for the expectant mother by utilizing proper positioning and support for comfort & safety; this massage is beneficial in reducing stress, decreasing swelling and relieving aches & pains in muscles and joints. (Perfect for Moms in their second & third trimester) *1 hour / 30 min.*

Back Massage ~ Myofascial release along with deep tissue techniques are utilized to address chronic areas of tension in the back and shoulders. A massage of the head and neck is also included. *30 minutes*

Face, Head & Neck Massage ~ A gentle massage of the face, head & neck in which specific strokes are applied to key areas helping to relieve tension and aid in relaxation. *30 minutes*

Reflexology ~ Pressure is applied to specific points on the feet that correspond to all glands and organs in the body aiding in tension relief and improved circulation. *30 minutes*

Pied Mol -Soft Feet ~ Reward your feet with this treatment. It begins with a warm relaxing foot soak followed by a rejuvenating massage of the feet and legs using 100% pure cocoa butter. *30 minutes*
